

FREE training for CWA members with no prepaid training benefits. This includes AT&T Mobility, ADT, Lumen, and other Communications and Independent Teleco members. Funding is limited, we encourage you to check this out NOW.

1. Scan the QR code on the front or visit www.cwanett.org/engage
2. Click on the District button that corresponds to your location.
3. Pinnacle Education courses are hundreds of short courses, click, review, and register for one that you want to study.
4. CWANETT courses are more indepth courses raging from 4-12 weeks. Most are Cisco Networking Academy courses. Find one you like & register using the simple form on that page.
5. Coming soon- c-point, a custome personal/ professional development tol and webinars.

All of this just for being a CWA member in good standing. Only one course at a time, additional depends on funding availability. If you have any questions, please reach out to the project coordinator for your District or kcelata@cwa-union.org

CWANETT is a CWA benefit that operates out of the Secretary/Treasurer's office at headquarters in Washington DC. We are not a third party vendor.
